Bianchi LeiSA Coffee System

Consistency

Italian Engineering ensures a consistently high quality coffee every time the machine is used.

Improved Efficiency

Fresh bean espresso coffee at the press of one button. Patented Soft Touch Technology (STT) recognises the operator's touch so all you have to do is place the cup under the centre spout and press your desired selection.

Reduced Maintenance

Easy to remove mixers and containers to ensure easier cleaning and maintenance, large product hoppers to ensure high volume output.

Customise

The Bianchi LeiSA can be manually programmed to suit each customer's requirements. With one coffee bean canister and three product canisters multiple drink selections are possible.

- 1 Easy one touch operation
- 1 12 product selections including espresso, long black, cappuccino, latte, chocolate, mochaccino, hot water
- 1 3 product canisters for vending milk, vending chocolate and chai latte
- 1 Inbuilt water tank or plumbed option available
- 1 Standard 10 amp power required
- 1 Optional base cabinet
- 1 Dimensions 385x545x440mm (WxHxD)
