Schaerer Joy Coffee System

Consistency

Swiss Engineering ensures a consistently high quality coffee every time the machine is used.

Improved Efficiency

Option for one or two cup coffee dispensing by simply placing the cup under the centre spout and pressing your desired selection.

Reduced Maintenance

Easy plug and clean milk line system will streamline cleaning and maintenance thereby reducing downtime.

Customise

The Schaerer Coffee Joy can be manually programmed to suit each customer's requirements. With one large coffee bean hopper and optional milk fridge to store milk at 4°C the Coffee Joy is ideal for any small office.
